

The South African Institute of Agricultural Engineers and 6th Pan African Society for Agricultural Engineering International Symposium

THE SOUTH AFRICAN INSTITUTE
OF AGRICULTURAL ENGINEERS

PAN AFRICAN SOCIETY FOR
AGRICULTURAL ENGINEERING

23 – 25 October 2024

Engineering within the Agricultural Environment

**The culmination of 60 years of Agricultural
Engineering excellence with SAIAE!**

To whom it may concern,

RE: REQUESTS FOR SPONSORSHIP

The South African Institute of Agricultural Engineers, (SAIAE) is proud to invite interested parties to its International Symposium. This year's edition will be in partnership with the Pan African Society for Agricultural Engineering (PASAE), the collaboration coincides with SAIAE's 60th Anniversary, which will ensure a milestone Conference. The International event will take place from **23 - 25 October 2024 at the Houw Hoek Hotel**, in the scenic **Western Cape province of South Africa**.

As a corporate partner to the Agricultural Engineering community, the SAIAE Council hereby cordially invites you to be part of this successful event through sponsorship and representation.

The aim of the biennial event is to bring the Agricultural Engineering community of Africa together to share knowledge and practices in the various fields that define Agricultural and Biosystems Engineering.

This conference will celebrate the formation of SAIIE 60 years ago in 1964 and reflect on the history and legacy of SAIIE and will celebrate our rich culture and heritage. Together with the PASAE, an African powerhouse, we aim to make this year’s event one to remember and to celebrate the achievements of Agricultural Engineering in Africa, and to discuss solutions to challenges required to make an even bigger impact in the future.

The event will be attended by approximately 200 delegates, nationally and internationally, from the Agricultural Engineering sector and others employed by government departments, consulting firms, manufacturing enterprises, farming organizations and research and tertiary institutions. The Engineering Council of South Africa (ECSA) has endorsed the event, therefore qualifying attendees will earn three (3) Continuous Professional Development (CPD) points.
